The Charms and Beads of My Life: I Want You to Know...Activity Guide

Your job is to use tinkercad.com and our classroom Makerbot 3-D printer to create one or a set of storybeads and/or charms about you and your life. After you design and print your beads we can make them into a bracelet, a necklace, a keychain or you can keep them in a special pouch for safe keeping.

Part 1- "I Want You to Know That I..."

Make a list. What are some of the things that you want your teachers and classmates to know about you? What are your hopes and dreams? What are some of your favorite things? What things are you scared of? What do you like to do and eat?

I want you to know that I like to eat .

I want you to know that I want sleep with cats.

I want you to know that I like to sleep.

I want you to know that I easy to get mad.

I want you to know that I read novel but not in English.

I want you to know that I like to cook.

I want you to know that I don't like go out at weekend.

I want you to know that I wait up so late at weekend.

I want you to know that I like to say anything I want in front of my friends.

I want you to know that I get mad easy and cool so fast.
